

MAKING CONNECTIONS

Making Connections is the best way to engage your community. As a member of the GLCC, you will be encouraged to refer and help promote your fellow GLCC members, or any other business in the City. Spreading the word about your business is best made when you can build each other up, work together and make a connection.

As a GLCC Member, you will also be free to use the GLCC Member Logo on all your marketing materials. Being a MEMBER of the Greater Lakewood Chamber of Commerce will bring VISIBILITY AND CREDIBILITY to your business.

ABOUT US

The Greater Lakewood Chamber of Commerce began in 1958 as a business association for the City of Lakewood, California. The GLCC aims to provide valued services to businesses in the City of Lakewood that will help them grow, be more visible and most importantly, be sustainable. Not only will the GLCC be a voice and advocate for businesses in the City of Lakewood, on a local, county, state, and federal level, but as your Chamber of Commerce, the GLCC will on a daily, promote economic growth, bring you opportunities to learn and connect with other business owners and with your community. Being a member of your Chamber of Commerce will give you, as a business owner, the power of a united voice for the business community in Lakewood. The GLCC will help you and your business make the connections needed to engage the community where your business calls home.

CORE VALUES

- 1 Strengthen local economy
- 2 Provide networking opportunities
- 3 Advocate for interests of businesses
